

# Gimber | No1 | | 20 cl

- België

Gimber is the answer to your traditional event frustrations. Only alcohol, sugar overloaded lemonades, or just flat water? you get it. Dimitri, or Gimberman, got it too. As he couldn't find an alternative, he created one. But instead of making a lemonade with a taste of ginger, he made a concentrate stuffed with the best organic ginger, lemons and other subtle, herbs, spice and gems that takes your taste buds for a tango.
